e-Governance initiatives

1. Physical verification units to be established at Jammu and Srinagar.
2. Revitalization of Public Private Partnership (PPP) and Viability Gap Fund (VGF) cell.
3. PM Gati Shakti to be fully implemented.
4. Emergent technologies such as Artificial Intelligence (AI), Machine Learning (ML) and Internet of Things (IOT) to be implemented for effective service delivery to the citizens.
5. Digitization of Judicial System.

Major Highlights of Different Departments/Sectors

Agriculture and Allied Sectors

- Establishment of 2,000 Kisan Khidmat Ghars (KKGs) for providing facilities to the farming community at their door step. Reinvigorating Agriculture and allied sectors through Holistic Agriculture Development Programme (HADP) by strengthening seed systems, boosting production and productivity, creating agri-business ecosystems and securing livelihoods through enhanced jobs and income creation.
- Strengthening of Departmental Seed Multiplication Farms.
- Competitiveness Improvement of Agriculture and Allied Sectors project in Jammu and Kashmir (JKCIP) to be implemented with an estimated value of USD 100 million loan from International Fund for Agricultural Development (IFAD). The goal of the project is to contribute to the sustained increase in income of rural households by improving the competitiveness of farming operations.
- Implementation of all 29 projects approved under Holistic Agriculture Development Programme.
- 20 agriculture and allied sector products have been identified, out of which 05 products (Saffron, Sulai Honey, Muskhbudgi Rice, Bhandarwah Rajmash and Udhampur Kalari) have got geographical indication (GI) registration and rest are under process.
- Distribution of farm machinery benefitting 70,000 farmers.
- Production of designer plants for promotion of high density plantation and rejuvenation of orchards.
- 25,000 MTs of Controlled Atmosphere (CA) storage capacity to be added.
- Development of Chrysanthemum theme Park at Cheshmashahi, Srinagar.
- 3,000 dairy units to be established providing direct employment to around 4,000 people.

- Increase in milk production from 25 to 45 lakh Metric Ton and increase in milk collection/chilling from 2.0 to 8.5 lakh Litres Per Day (LLPD) over a period of five years.
- 100 satellite heifer rearing units will be established in the private sector.
- 1,800 Pashu Sakhis will receive incentives for ration balancing for 6,00,000 cows and for the milk recording programme of 30,000 dairy cows.
- 60,000 backyard poultry units will be established in rural areas.
- Hybrid fodder seed kits will be provided for 3,600 hectare of land.
- 100 hydroponic fodder units and 60 silage-making units, along with 6 fodder depots to be established to ensure availability in fodder-deficient areas.
- Fish Production to be enhanced from 30,670 MT to 35,250 MT with technological interventions.

Rural Development and Panchayati Raj

- Under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA), 400 lakh mandays to be generated.
- Under HIMAYAT training of around 7,000 candidates to be completed.
- 12,000 additional Self Help Groups (SHGs) to be formed during 2024-25.
- 600 new panchayat ghars to be constructed under Rashtriya Gram Swaraj Abhiyan (RGSA) with 100% internet connectivity.
- 2.60 lakh mandays of training to Panchayati Raj Institution (PRI) members under Rashtriya Gram Swaraj Abhiyan (RGSA).
- 80,000 houses to be constructed under Pradhan Mantri Awas Yojana Gramin (PMAY-G).
- 06 Villages to have solid/liquid waste management facilities in order to become clean with litter and plastic free.

- 26,000 hectare area to be treated with completion of 1,800 works under Integrated Watershed Management Programme (IWMP) during 2024-25.

Tourism and Culture

- New initiative for development of infrastructure and basic amenities in 12 off-beat tourist destinations, 6 each in Jammu and Kashmir divisions, with objective of enhancing tourism appeal and expanding local business and job opportunities.
- Development of Keran as border tourist village.
- Development of Tosamaidan and Sitharan circuits.
- Development of Duggar Dani village at Samba with the traditional set up in the form of "mock village".
- Construction and installation of 130 meter (425 feet) high national flag mast at Patnitop.
- Completion of revival and restoration of 75 identified heritage sites/cultural sites.
- Establishment and operationalization of 8 cultural centers.
- Development and modernization of Shri Pratap Singh (SPS) Museum Srinagar.
- Promotion and propagation of sufism in Jammu and Kashmir through structured programmes including operationalization of state of art Suffiana School at Srinagar.
- Digitization of all libraries.

Forestry and Environment

- Planting of 190 lakh native trees and 100 lakh low cost greening interventions aimed to restore ecosystems, prevent soil erosion and enhance biodiversity.
- All 78 Urban Local Bodies of Jammu and Kashmir to have at least one Nagar Van, Nagar Vatika or an Eco Park.
- 10 lakh saplings of local, medicinal and economic importance species to be distributed among the farmers for planting to augment trees outside forests and improve livelihood.
- Infrastructure at wetlands like Gharana, Hokersar and Shallbugh to be developed for promotion of eco-tourism.
- Establishment of Continuous Ambient Air Quality Monitoring Station (CAAQMS) in Jammu.
- Implementation of Van se Jal, Jal se Jeevan, an innovative water conservation techniques through water shed management approach, promote sustainable agricultural practices and revitalize traditional water bodies, including wetlands.
- Conservation and rejuvenation of Wular Lake to enhance the livelihood of the local people, through ecotourism.
- Enhancing avenues of livelihood generation through involvement of the Panchayat level Biodiversity Management Committees (BMCs) and integrating them with Self Help Groups (SHGs) registered with NRLM for sustainable collection and disposal of forest produce.

Cooperative Sector:

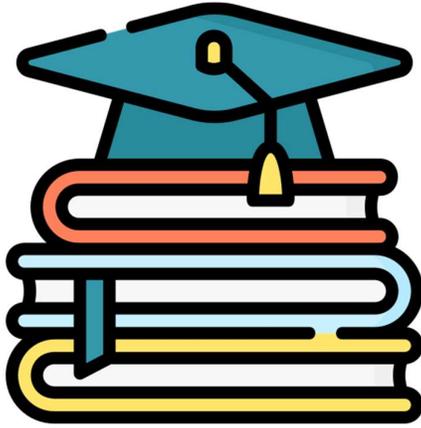

- Establishment of Micro Food Processing Units for creating employment opportunities, especially in Rural areas.
- Construction / Establishment of Mini Super Bazars at District / Village/ Block Level.
- Construction of 6 Grain storage units in 6 districts which are deficit in grain storage facility under the Scheme “World’s Largest Grain Storage”.

Health and Wellness

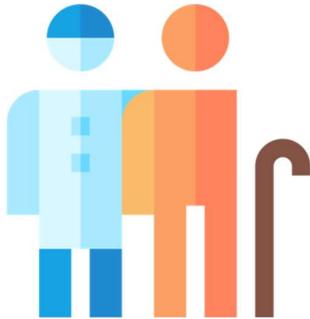

- Two Cancer Institute’s at Jammu and Srinagar to be made fully operational during 2024-25.
- Enhancing DNB seats to 400 thereby improving the availability of Specialists.
- Health records to be saturated by creation of ABHA IDs for 1.35 crore population.
- 100% screening of 30+ age population for hypertension and diabetes.
- Dialysis Services to be strengthened further at 16 existing facilities and 10 new health facilities.
- AIIMS, Awantipora to be made functional by March, 2025.
- New Nursing college at Handwara to be set-up.
- Attainment of TB free status in all the remaining districts.

Education Sector

- 2,176 new Kindergartens to be established to attain saturation in all the 13,804 schools in phased manner.
- Separate annual library grant ranging from ₹ 5,000 to ₹ 20,000 covering schools from Primary to Senior Secondary for purchase of books under Samagra Shiksha Abhiyan.
- Only fortified rice to be served to about 8.95 lakh students at elementary level (I to VIII) under Mid-Day Meal Scheme for improving nutritional health of students.
- Infrastructure of 389 schools to be upgraded under Pradhan Mantri Schools for Rising India (PM SHRI) Scheme.
- 3.50 lakh adults to be made literate under New India Literacy Programme (NILP).
- Scholarship @₹5,000/ student under Beti Anmol Scheme for BPL girl students.
- 18,499 Schools to be provided sports equipment's with the financial implication of ₹ 16.04 crore.
- 2,584 Schools to be provided ICT labs and Smart Classrooms.
- 43 Robotic Labs and 30 Virtual Reality Labs to be established.
- Establishment of Science Centres in 100 Schools.
- Vocational Education to be introduced in new 554 Schools.
- Construction of 05 newly established colleges to be completed during 2024-25.
- Two hostel blocks, two science blocks and six additional lecture blocks in various colleges to be completed.

- 08 colleges to be accessed and accredited in the 2024-25.
- 100% admission through Common University Entrance Test (CUET) e-Samarth across Jammu and Kashmir.

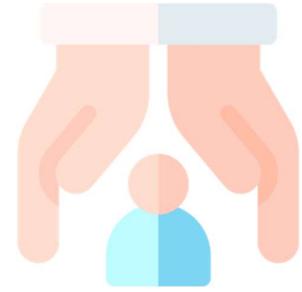

Social/Tribal Welfare

- All persons with disability to be covered under Nirmaya Health Insurance Scheme.
- 04 Vatsalya Sadans to be operationalized for intellectually challenged person (boys/girls) two each in Jammu/Kashmir.
- 653 Anganwadi Centres (AWCs) have been targeted for upgrading as Bal Vidyalayas.
- 11 Shakti Sadan and 04 Sakhi Niwas to be established.
- 7,708 women beneficiaries with establishment of 1,502 units to be targeted under self-employment scheme
- 14 Palash and 13 Parisha child care Institutes are targeted for modernization with state of the art facilities.
- 250 small nature of tractor and link road connectivity to be provided to tribal population.
- 80 schools to be transformed into smart schools in tribal areas.
- Smart cards to be provided to migratory tribal population.
- Transit accommodations to be established for trans-human tribal population which includes accommodation for 150-200 families, community kitchens, medical dispensaries, veterinary dispensaries, community toilets and livestock yards.
- 186 villages, having 500 schedule tribe population, to be covered under “Pradhan Mantri Adi Adarsh Yojana (PMAAGY)” scheme.
- 10 Cluster Tribal Model villages to be completed in 2024-25.
- 10 milk villages are targeted to be completed during 2024-25.

Relief and Rehabilitation of Kashmiri Migrants

- Completion of construction of 1,500 flats as transit accommodation for Kashmiri Migrant employees during 2024-25
- Remaining 276 posts out of 6000 posts under PM-Package for Kashmiri Migrants to be filled in 2024-25.

Sports and Youth Initiatives

- 75 lakh youth engagement in various sports events to be held at the Panchayat, Block, District, UT and National level during 2024-25.
- 20 national sports events to be organized in 2024-25.
- 200 playfields and 100 sports courts to be constructed.
- Swimming pools to be completed at Moulana Azad Stadium, Jammu and Gindun Park Rajbagh, Srinagar.

Skill Development, Youth Empowerment and Employment

- New initiative to create ecosystem for promotion of enterprises and self-employment, generate over 5 lakh opportunities for self-employment and expand investments through credit support.

- New age courses to be introduced in 10 Industrial Training Institutes.
- Placement drives for 1,000 pass outs to be organized in collaboration with big business and industrial establishments.
- Training of 6,000 women Self Help Groups registered with NRLM to be completed
- Financial support through self-employment schemes like Seed Capital Fund Scheme, Youth Start-up Loan Scheme, National Minorities Development and Finance Corporation, Women Entrepreneurship Programme and under Mission Youth schemes to be provided to youth to undertake self-employment ventures.
- Outreach and counselling activities to be conducted for aspiring job seekers through Model Career Centers (MCCs).
- Up skilling of youth through youth clubs.

Food, Civil Supplies and Consumer Affairs

- Additional 10 kg of rice per month to Priority Households will be provided under Prime Ministers Food Supplementation Scheme.
- e-KYC of all beneficiaries under Public Distribution System to be completed.
- Roll out of Smart PDS in Jammu and Kashmir.

Power Sector

- Better availability of power which will give boost to tourism and Industries thus fulfilling the goal of no poverty economic growth to provide sustainable Jobs and promote equality.
- Smart metering of all consumers.
- Implementation of Loss Reduction works already in place, majorly LT-AB Cabling work and removal of bare conductor to improve billing efficiency and bringing down the AT & C losses.
- Implementation of underground cabling project to extend the Grid connectivity to Holy Shri Amarnath Ji cave on both the axis (Baltal and Pahalgam).
- Improvement of 105 Kms HT/LT line for smooth and uninterrupted power supply to its consumers.
- Augmentation/Creation of 35.45 MVA Sub-Stations to give relief to Critically Overloaded Power Transformers and ensuring for availability of additional power supply to avoid frequent breakdown and load shedding.
- Creation/Augmentation of 38,150 KVA Distribution Transformer sub-stations to improve voltage regulation of distribution network and enhance capacity of existing sub-stations.
- Under segregation of critically overloaded 11 KV feeders, 55 Ckm are being segregated for enhanced feeder stability.
- Replacement of 14,000 Ckm of dilapidated LT bare conductor by LT-AB cable to strengthen the LT networks and to stop the theft of power. This replacement of bare conductor by LT-AB cable coupled with installation of smart meters will help in reducing the AT & C loss.

- At 11 KV level, 5,351.53 Ckm of feeders to be renovated with new and better (thicker) conductor to reduce T&D losses.
- At 66/11 KV and 33/11 KV Sub-stations, 200 capacitor banks will be installed to improve the voltage profile at peak load hours and will reduce the MVA consumption.
- 31 receiving stations (33/11 KV) have been projected for capacity addition of 210.60 MVA.
- Providing of reliable power supply to the far-flung and remote areas of Gurez.
- 04 GSS's at 132 KV level will be constructed which will enhance capacity by 40 MVA during 2024-25, 100 MVA during 2025-26 and 90 MVA during 2026-27.
- 16 GSS's at 132 KV level will be augmented which will enhance capacity by 556 MVA during 2024-25 and 50 MVA during 2025-26.
- 06 GSS's at 220 KV level will be augmented which will enhance capacity by 90 MVA during 2024-25 and 720 MVA by or before 2026-27.
- An addition of 3,014 MW installed capacity in phased manner till year 2026-27 with cumulative increase of design energy of 10,714.50 Million units per annum.

Jal Shakti (Water Supply and Irrigation)

- Out of 3,256 water supply schemes under Jal Jeevan Mission (JJM), 776 schemes have been completed and remaining 2,480 schemes have been targeted for completion for coverage of balance 4.26 lakh households with Functional Household Tap Connections

(FHTCs) to achieve 100% coverage under tap water connections.

- NABL recognition of all 76 Sub Divisional level laboratories.
- Roll out of Operation and Maintenance policy for rural water supply schemes.
- Training of about 15,000 Nal Jal Mitras under NJMP through Skill Development Mission.
- 450 water supply schemes under languishing programme and 159 water supply schemes under National Bank for Agriculture and Rural Development (NABARD) loan assistance are targeted for completion in 2024-25
- 225 flood control schemes to be completed, which will protect 1,467 hectare of land from erosion and flood threats.
- 16 flood control projects under Flood Management and Border Area Programme (FMBAP)/ River Management and Border Areas Programme (RMBA) to be completed during current financial year.
- Shahpur Kandi Dam project likely to be commissioned during current financial year, which will benefit Jammu and Kashmir with 1,150 cusecs of irrigation water facilities to 32,186 hectare of land in Kathua and Samba.
- Balance work of Tawi Barrage to be completed during 2024-25.
- 197 minor irrigation schemes to be completed during 2024-25, which envisages creation of irrigation potential of 38,723 hectare.

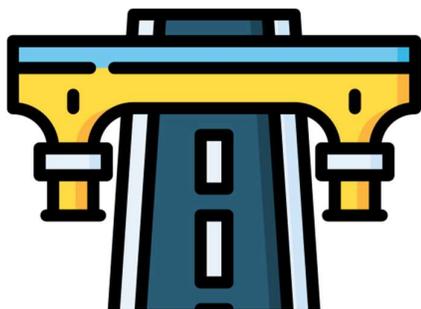

Housing and Urban Development

- 05 Sewerage Treatment Plants (STPs) with sewerage treatment capacity of 65.33 MLD are under implementation.
- Under AMRUT 2.0, UT Water Action Plan for 153 projects of 78 ULBS has been completed. This includes 99 projects for water supply connections aiming to provide 2.25 lakh new

tap household connections. Also 50 projects for rejuvenation of water bodies to be undertaken.

- Under Smart Cities Mission out of 309 projects, 223 projects have been completed and 86 projects likely to be completed in 2024-25.
- Pollution abatement of river Tawi by way of laying interception and diversion network at old city.
- Revamping of transport nagar Narwal Jammu and Parimpora Srinagar.
- 100% source segregation of municipal solid waste by March 2025.
- Development of Smart Integrated Satellite Township along Ring Road at Jammu and Srinagar.
- Introduction of 200 e-buses under PM–eBus Sewa Scheme.
- Pollution abatement projects of rivers Basentar at Samba and Doodh Ganga at Srinagar/Budgam is being undertaken and the project Pollution abatement of River Devika at Udhampur to be completed.
- Western Foreshore Road along Dal Lake, Srinagar to be constructed.
- Inter Model Station (IMS) in collaboration with NHAI to be developed at Katra.
- Finalization of Master Plan of all 78 Cities/Towns.
- Development of Sewerage network of Houseboats in Dal-Nigeen Lake including sewerage network of hamlets inside lake.
- Construction of Modern Abattoirs at Gujjar Nagar and Dogra Hall Jammu.
- Sewerage Scheme to be taken at Chrar-i-Sharief, Budgam.

Connectivity

- 5,000 Kilometers of road length to be black-topped during 2024-25 under Pradhan Mantri Gram Sadak Yojana (PMGSY)/Cities and Towns Scheme /

Central Scheme/Central Road and Infrastructure Fund (CRIF)/National Bank for Agriculture and Rural Development (NABARD) loan assistance/pothole free road scheme.

- 194 new projects sanctioned at an estimated cost of ₹1023.42 crore under NABARD being taken for execution during 2024-25.
- ₹ 1000 crore new road and bridge projects to be taken up under NABARD loan assistance under RIDF Tranche XXX during 2024-25.
- Completion of 60 ongoing bridges is targeted during 2024-25.

Industrial Development

- Rapid development of 46 new Industrial Estates to attract investment and create employment opportunities
- Under Jammu and Kashmir Rural Employment Generation Programme (J&K REGP), 1,372 units are targeted to be setup during 2024-25.
- New Start-up Policy to be introduced for creating entrepreneurship ecosystem.
- Up-gradation of infrastructure in existing Industrial Estates.
- The Private Industrial Estate Development Policy to be revamped.
- 324 units are expected to come into production this year having employment potential of 18,000 persons.

S

cience and Technology

- 4,000 AC agriculture pumps to be replaced by Solar Pumps in phased manner under PM-KUSUM Component “C”.

- Around 04 MW rooftop solar power plants to be installed on the Government buildings. 22,494 Government buildings to be 100% solarized in phased manner.
- 100 kw floating solar power plant to be installed in the Dal Lake, Srinagar for demonstration purpose to attract the tourists.
- 5,000 improved biomass cook-stoves to be provided in the tribal areas to reduce indoor air pollution and fuel use.
- Land bank to be identified for development of solar parks.
- Under Special Area Development Programme (SADP) tourist and religious places to be taken-up for complete solarization.
- Solarization of all routes and camps for Shri Amarnath Ji Yatra.
- Operationalization of Bio-Technology Park at Kathua.
- Science talent scholarships for Undergraduate and PG Students.
- Young Scientist Awards/Fellowships among the outstanding researchers.

T

ransport Sector

- IDTR at Kot Bhalwal, Jammu likely to be completed and operationalized in 2024-25.
- Institute of Inspection and Certification Centre (ICC) at Samba, Jammu likely to be completed in 2024-25.

- Implementation of Vehicle Location Tracking Platform (VLTP) for safety of women in public transport vehicles.
- Automated Testing Stations (ATSS) to be established for testing fitness of motor vehicles in private sector.
- Introduction of policy of Registered Vehicle Scrapping Facility (RVSF) for carrying out dismantling and scrapping operations of vehicles for End of Life Vehicles (ELVs) in a scientific manner
- Construction of Modern Bus Terminal at TRC, Srinagar.

ALLOCATION TO MAJOR SCHEMES

S. No.	Schemes/Activities	Allocation 2024-25 (in ₹ crore)	Initiatives
1.	Holistic Agriculture Development Programme (HADP)	961	Holistic Agriculture Development Programme for 29 projects at an outlay of ₹ 5,013 Cr over the period of next five years.
2.	Horticulture	60	Establishment of cold storage and high density plantation.
3.	Industrial Estate	410	Development of new Industrial Estates for investment and employment generation.
4.	Industrial Incentives	48	Incentives as per the provisions of Industrial Policy and start ups.
5.	GST Refund	450	GST refund for industrial units as an incentive.
6.	Trade Promotion	15	Promotion of trade through events at National and International level through Jammu and Kashmir Trade Promotion Organization.
7.	Employment Schemes	200	Youth Start-up/Seed Capital Fund schemes and implementation of Mission Youth Schemes for self employment ventures of youth.
8.	Capitalization of Banks	100	Capital support for J&K Bank, Regional Rural Banks (RRBs) and Cooperative Banks.
9.	Connectivity	3983	Construction of roads and bridges under PMGSY, CRIF, NABARD loan scheme and Bridge scheme.
10.	Equity for new Hydro Electric projects	776	Equity support for construction of Rattle, Kawar and Kiru Hydro Electric Projects.
11.	Jal Jeevan Mission	1714	Functional Tap connections for all the households.
12.	Flood Management	390	For flood management projects of river Jhelum.
13.	Swachh Bharat Mission (G)	445	IHHLs , CSCs and achieving ODF+ status in the rural areas.
14.	Sewerage Management	222	Construction of sewerage treatment plants in urban areas..
15.	New Townships	70	Development of new townships for housing.
16.	Dal Development	80	Development and preservation of Dal lake.
17.	Social Security Schemes	1430	Financial assistance under Old Age, Widow, Disabled, Ladli Beti and Marriage Assistance schemes.
18.	Tribal Welfare	70	Infrastructure for welfare of Tribals like tribal hostels, milk villages, nomad shelters and libraries.
19.	Relief and Rehabilitation of Kashmiri Migrants	1068	Provision for salaries, food grains, cash assistance for Kashmiri Migrants and Construction of transit accommodation for

			Kashmiri Migrant employees appointed under PM Package.
20.	Samagra Shiksha Abhiyan (SSA)	1645	Expenditure on different components of SSA.
21.	PM SHRI	200	Setting up of PM SHRI schools for quality education.
22.	Quality Education	30	Improving quality in schools in respect of infrastructure and career counseling.
23.	Higher Education	475	For infrastructure of colleges and universities.
24.	Drugs and Equipments	500	Providing of drugs, machinery and equipments for health institutions.
25.	National Health Mission (NHM)	1317	Expenditure on different components of NHM.
26.	AB-PMJAY(Sehat) Scheme	586	Universal health insurance coverage for all families of Jammu and Kashmir.
27.	Pradhan Mantri Awas Yojana-Gramin (PMAY-G)	1104	Support for construction of own house for houseless poor families in rural areas.
28.	PRI and ULB Grants	1487	Development works of PRIs and ULBs.
29.	DDC/BDC Grants	321	Development works of BDCs and DDCs.
30.	Security and Accommodation for Local Body Representatives	40	Security and construction of accommodation and offices for DDCs/BDCs/PRIs members.
31.	Tourism Sector	428	Promotion of Tourism, development of new tourism destinations, new circuits, ropeways promotion of golf and conduct of Shri Amarnath Ji Yatra.
32.	Preservation of Culture	120	Heritage preservation, promotion of festivals and cinema/theatre.
33.	Sports Initiatives	140	Creation of sports infrastructure.
34.	Renewable Energy	150	Installation of solar rooftops and solar pumps.
35.	SRE & Security Infrastructure	179	Construction of security related infrastructure, police housing colonies, bunkers in border areas and installation of CCTVs in police stations.
36.	World Bank Aided Projects	300	Construction of infrastructure under Jhelum Tawi Flood Recovery Project (JTFRP).
37.	Film Policy and Publicity	90	₹ 10 crore for film policy and ₹ 80 crore for advertisement and publicity / promotion of film festival.
38.	Power Purchase	9400	Expenditure on purchase of power.
39.	Smart City Projects	894	Completion of smart city projects in Srinagar

			and Jammu cities.
40.	CAMPA	321	Afforestation, Wild life Management, Catchment area treatment, Preservation of protected areas etc.
41.	MG-NREGA	500	Works at Gram Panchayat level.
42.	NRLM	205	Support to Self Help Groups for generation of livelihood.
43.	Sports Initiatives	145	Creation of sports infrastructure.
